897696007

What's next?

You will shortly receive an email confirming your registration.

To submit your proposal you may need to provide additional information such as:

✈

Programme specific information
Further details about the **legal status** of your organisation. These will be used to determine eligibility and funding rates of your proposals.

✈

SME information
If you are an SME, we are interested to know. In particular, if the SME status is an eligibility criterion in a call, you must carry out the SME self-assessment. Otherwise, a simple self-declaration will be enough.

In addition, once the PIC has been registered, you may:

✔

Update your organisation data

✔

Upload the documents needed to validated your organisation when we ask you to do so

✔

Read/send messages from/to the Validation Services

You can do all the above by clicking **Continue to update** at the bottom of this page or later on once logged in to the Funding & Tenders Portal (via the section **My area -> My organisations**, then select **Modify Organisation** from the Actions drop-down list next to your registered organisation)
